ADJUTANT-GENERAL'S REPORT.

GENERAL HEADQUARTERS STATE OF FLORIDA,
ADJUTANT-GENERAL'S OFFICE,
TALLAHASSEE, Fla., December 31, 1872.

To His Excellency Harrison Reed, Governor and Commander-in-chief:

SIR: I have the honor to submit the following report of the condition of this department for the year ending December 31, 1872:

Since my last report there has been comparatively little done in completing the organization of our volunteer militia. This can be accounted for by the fact that nearly all of our citizens who are subject to militia duty have been engaged in the last political campaign, and have had very little time to spare in perfecting the militia of our State. Still, there has been no time for the last three years that I could not have furnished a sufficient number of troops for the protection of our State, if a necessity had arisen to require them.

The following is an inventory of the arms, equipments, and ammunition owned by the State: 200 Springfield rifled muskets, breech-loading; 18,000 rounds of metallic ball cartridges, 600 Springfield rifled muskets, 200 Enfield rifled muskets, and all necessary equipments for the same.

I have expended \$1,000 on repairs of Capitol and fence around the same; but could not make all repairs that were required to be done, on account of the appropriation being too small.

I have not received a report from the Warden of the State Prison. As soon as it comes to hand I will submit it with a full statement in relation to the condition of that institution.

In closing our official connection, allow me to extend to you my sincere thanks for the kindness and confidence which you have ever extended to me in my efforts to discharge my duties.

I am, with great respect, your most obedient servant,

JOHN VARNUM,
Adjutant-General.
